

MEDICAL MARIJUANA: BENEFITS, USE AND THE LAW

Dr. James Salwitz

Attend our *FREE* event to learn about medical cannabis and how it can help cancer patients.

James C. Salwitz, MD will explain the use and benefits of medical marijuana, especially as they pertain to people with chronic pain or who have been diagnosed with cancer.

Issues to be addressed include:

- NJ cannabis law
- The indications for medical marijuana
- The difference between recreational and medical marijuana
- Is marijuana addictive? Is it a gateway drug? Can you overdose?
- What is the status of research on cannabis?
- How do you take medical marijuana?
- Can marijuana cure cancer?
- Okay, so how do I start?
