**NOTICE TO PATIENTS REGARDING CO-PAYS**

To eliminate any confusion regarding co-pays and your responsibilities as our patient, please read the following:

- Co-pays are due at the time of service; we are required to collect your co-pay if your insurance plan states you have one.
- We accept cash, checks, and credit cards.
- We do not “bill you” for your co-pays, it is expected that co-pays be paid at the time you are seen in the office.
- Your health insurance plan deducts your co-payment from the payment they send us in expectation that we collect your co-pay.
- We are in violation of our contract with your health insurance plan if we do not collect your co-pay. Co-pays apply when you see the physician, APRN or PA. They may apply when you see the nurse.
- Any questions regarding your co-pay or insurance questions should always be directed to our Business Office at 860-533-3091 or 860-533-3092.
